

The magnetometer onboard BepiColombo MMO

W. Baumjohann (1), A. Matsuoka (2), W. Magnes (1), R. Nakamura (1), K.H. Glassmeier (3), U. Auster (3), A. Balogh (4) and the MERMAG Team

(1) IWF/ÖAW, Graz, Austria (baumjohann@oeaw.ac.at), (2) ISAS/JAXA, Sagamihara, Japan,
(3) TU Braunschweig, Germany, (4) IC London, UK

The magnetometer presently being developed for the Magnetospheric Orbiter of the BepiColombo mission will be described and its capabilities in exploring new physics will be discussed.
