

The CERGOP2 database after the project - EU project CERGOP2/Environment work package 1

C. Haslinger (1), **G. Stangl** (2)

(1) Space Research Institute Austrian Academy of Sciences (cornelia.haslinger@oeaw.ac.at),

(2) Federal Office of Metrology and Surveying (guenter.stangl@oeaw.ac.at)

The CERGOP2 database is intended to be maintained by OLG also after the end of the project. The current status with some minor improvements is presented. An example of log sheets for epoch sites is presented.
